Volume 2023 - Ed.05

IN BREVE in questo mese di maggio un grande impianto di calandratura è stato completato e spedito dal nostro stabilimento di Castellanza: destinazione estremo oriente dove già alcuni nostri tecnici sono all'opera per la messa a punto del sito. Sempre nel mese si è completata una attività legata al nostro piano di sostenibilità sociale con la deposizione di 6 "pietre di inciampo" ora collocate all'entrata del parco Comerio Ercole di Via Magenta a Busto Arsizio per ricordare i fatti del 1944 che videro coinvolti 6 lavoratori della Comerio Ercole: Vittorio Arconti, Arturo Cucchetti, Ambrogio Gallazzi, Alvisè Mazzon, Giacomo Biancini e Guglielmo Toia.

IMPORTANT CALENDERING PLANT EXPORTED during the month an important and innovative calendering plant has been realized and exported with special air transportation to south far east. All the Comerio Ercole team is extremely happy about the possibility to had positively performed all the pre-delivery dry test before shipment in order to grant a fast installation on site where a team of skilled supervisor is already on site to prepared all involved activities at the customer plant.

It is quite unusual for our "big" calendering equipment to utilize air transportation but it in the case due to the final application linked to the pharmaceutical field the selection has been selected by the customer as the most useful to the purpose as well as engineering team has granted a proper design in terms of customized sizes for proper transportation and packing.

What was never considered possible is now possible!

COMERIO ERCOLE SUSTAINABILITY TEAM HAS RELEASED THE ESG REPORT 2023

In COMERIO ERCOLE, there has always been a specific strategic attention expressed by the top management and shared with the entire operating structure to social and environmental issues and that from year to year has been consolidated on the basis of the awareness of the evidence that emerges from the elaboration of the sustainability report. Those who know us already know the strong sensitivity of COMERIO ERCOLE towards the globality of business prospects: this attitude is rooted in the style of personality and in the quality of objectives, well ahead of time to current ESG identifications. COMERIO ERCOLE draws up the ESG sustainability report on a completely voluntary basis for the awareness of its role with respect to the social, economic and environmental context. The sustainability ESG report 2023, also in light of the recent process of revision and approval of the 2023 Code of Ethics (first version 2007), recognizes the dedication and commitment of all those who, while diversifying their specific skills, promote conditions of more conscious freedom and dignity in the horizon of cultural homogeneity. **With the QR code on the side herewith you can download the English copy of the ESG report 2023.** For any further information please do not hesitate to contact us.
